

CONVENTIONAL OIL FILTERS

With ECOGARD you never have to compromise quality and performance to get superior value.

Designed to enhance the installer's experience, ECOGARD oil filters are test-fitted in our laboratory to ensure trouble-free installation and performance.

ECOGARD's Oil Filter Program Delivers:

- Spin-on and cartridge oil filters for all makes & models
- Top-quality features, including solid steel end caps, double-fluted center tube, and rugged yet efficient media
- Manufacturing in accordance with ISO/TS:16949
- Exceptional quality & competitive pricing

All ECOGARD Oil Filters meet the requirements for maintaining new vehicle warranties.
