

# Gold Standard QUALITY

With ECOGARD<sup>®</sup> you never have to compromise superior quality to get exceptional value.

## Delivering a Sustainable Competitive Advantage

When you partner with ECOGARD you get much more than a world-class filter supplier. We deliver:

- Comprehensive eCatalog with innovative features
- Integrated marketing and design support
- First-to-Market – Supported by the industry leader in new product releases
- Responsive, USA based product and customer support

### Award-Winning Service

Every ECOGARD team member takes personal responsibility for customer satisfaction.

### Sweet-Spot Value

We deliver product quality benchmarked to the industry leaders with pricing they just can't match.

### Business-Building Innovation

ECOGARD is constantly working on innovative sales tools that fuel unique growth opportunities for our customers.

**Focused on the installer experience**
